. Established A.D. 1841. Hongkong, 27th July, 1894.

On the 3rd August, 1894, At the Land We Live in Hotel, No. 313 Queen's Road, Hongkong, Tavil SILBERMANN, aged 54 years.

Hongrong, August 10th, 1894.

A FORMAL declaration of neutrality has now been published by the British Government strike these mcorings it is more than probable with reference to the hostilities between China and Japan. The Foreign Enlistment Act is of course nominally in force junk capsized off Pokinlam during a uniden of China and the Emperor of Japan, and being The proper name, in the case of a Chinase, means at all times, but when it becomes necossary to strictly enforce it a notification water, and eventually the junk sank. A Cust coasts, and the waters within Her Majesty's ter- member is Chinese or which carries on basiness: or proclamation to that effect is usually toms launch, fortunately near at hand, witnessed was the course adopted in connection with the Franco-Chinese hostilities, and the Ast itself was published in extenso in the Gazette. Special instructions were also sent by telegram to the Governors of the Eastern Colonies in the following "terms : - " Referring to 10th section of For-" eign Eulistment Act, public ships of either beilig rent should not be allowed supplies | at Hoihow a few months ago. "such as would assist uaval operations. "Therefore no more coal should be fur-"nished to any beliggrout ships than would | morning for Formosa. We understand that " be necessary for moving to the nearest "national port of pearer destination. "Also repairs of belligerent ships and supply sary that she should enter and clear officially " of provisions for crew should be restricted " to such as are necessary to enable belligerent "ship to hold the sea on voyage to such "destination as aforesaid. You should allow "no repairs to be effected or supplies. "furnished to belligerout ship except under Tung (Kinng Tung) and Chiong-roon, which "supervision of local Authorities, whose "duty it would be immediately to report To the Governor in ouch case in which "the limits imposed were being infringed." In that affair the British Government confined itself to the enforcement of the Foreign Enlistment, Act and did proclamation of neutrality in form. A formal proclamaof peutrality imposes further limithe belligerents' ships, such. for instance, as that no coal shall supplied to the same ship-until the expiration of three months from the time of the origin. Rice too, may be expected to go up it last supply. The reason a proclamation of neutrality was not issued in the Franco- bartly shipped to Singapore. Altogether the Chinese hostilities was that the French outlook is not a bright one for the inhabitants twenty-four hours after her entrance into such drew a distinction between reprisals and war and that the operations were localised; In the case of China and Japan war has been formally declared, and a proclamation of noutrality has been issued by Great Britain. The regulations of the port as regards the floods of 1883. Although there is not so hours, without permitting her to take in supplies faffy dollars. than they were in 1884 and 1885. British still feel dishadined to go in for chartering as lowed to remain within British waters for the the Colony, all agents who purport to ant on ships will also be affected, as regards the regards Japan and think it advisable to want purpose of repair shall continue in any such port behalf of such firm shall be personally liable. carrying of contraband of war. What has which were detained up river for water twenty-four hours after her necessary repairs contracts incurrent or autered into by or on bebeen telegraphed out is simply the letter have at last arrived, and we can unfely say that from the Foreign Office to the Lords Commissioners of the Admiralty, but, as in the case of the Franco Prussian war, there will doubtless be a general proclamation addressed to Her Majesty's subjects at large. In the neutrality proclamation issued on that occasion Her Majesty's subjects were warned, amongst other things, "aguinst carrying officers. " soldiers, despatches, arms, amminition, " military stores or materials, or any article "or articles considered and deemed to be " contraband of war, according to the law or " modern usages of nations, for the use or "service of either of the said Sovereigns," and that " all persons so offending, together incur, and he justly liable to, hostile cap. plied arging the recessity of extending the pro- except so much out only as may be sufficient to n was named \$150. About \$900,000, has been ture, and to the penalties denounced by the

in feply to a question, said that it was im. possible to actually define contraband of war but that it was not for the combatants to decide what was such regardless of the rights o neutrals. In the Franco-Chinese war France declared rice to be contraband of war, and presumable the right of China or Japan to do ing the inspection. the same would be admitted, provided they gave due notice of their intention to so treat the commodity. Coal also might be treated as contraband of war, but here again

we should think notice would be deemed necessary except in cases where the consignment was from the circumstances clearly the Hygric on Wednesday to the Government intended for the use of belligerent ships their complete recovery is anticipated at an NOW READY, and Orders are being booked It was complained by the French in 1885 only date. for delivery on arrival of the Seeds. They will that the Hongkong Government was inclined be excented in the gequence in which they are to stop the export of coal which the provider of the French squadron sent by merchant vessels to his firm at Kelung, and in consequence of that complaint the Governors of the Eastern Colonies were instructed, recalled by the Admiral to join the flet North. that whilst carrying out the provisions of Young Dr. Lowson has been re-oughged and will the Foreign Enlistment Act as to equipment, the junk traffic. they were not to interfere with any shipments of coul made in the way of trade and of whom died; 13 deaths took place in entside having the character of a commercial transaction. In the present crisis some uneasiness appears to be felt as to what may be considered contraband of war and special town Hospital, the principal object of this being rates are being charged by the Insurance Companies, but the probability is that no ordin- at the office of Mr. J. enaved to meet their formen on level terms, and because they never repeated their triumph, with rleven aside for twenty years. At this date-1822-Mr. Ward M.P. Lord Frederick Beau-The Canadian House of Commons has con dark and Mr. H. Bodd were in the zenith of THE LIGHTS OF OTHER DAYS

Between 1822 and 1842 the Players were much the appearer, and, all sorts of devices were resorted to in order to produce an artificial aquality The Gentlemen were ellowed 16, 17, and 18 med and, moreover, they had the assistance of such yeomen as Lallywhite. Broadbridge, and Foller Pilob. In 1831 the Players had but nine mente eleven and next year the Players de-Tonlled wickets 27 inches high by 8 inches wide while their antagonists stumps were five meher less in height and two in breadth. Still the Piagers won But this experiment was repeated in a more exaggerated form in 1837. Mr. W. Ward was of opinion that the better bataman ought to defend the bigger wickets and as every schoolboy knows this match is styled Ward's Folly, for still the Players won. The latter defended wiskets a yard high and a foot in breadth hence the title "The Barn Door A terrible collision bas taken place in the Maich "-while the Gentlemon" wickets were "? ipohes by 8 inches Still the amateurs vers threshed and that in a single inkings with ten ruos capare. That In 1388, when the append bad the lielp of Pilote Cobbett, and denman, was absolutely the last buttle in which any odds were given. The rivals had four it on even terms reps in 1842-a feat to which I have already alladed. During the next seven seasons the contests were of a much more open obstracter. and the Gentlemen gained their share of toe spoil We have been much surprised of late to see Alfred Shaw, who will be 52 in August, re-appear in first class cricket with success. Let me tell you A marriage has been arranged between Lord that Lillywhite assisted the Players in these matches until he was 57, and in 1845; when he was 53, he took twelve of the Gentlemen's wiokets for 96 runs. In 1840 George Parr and

> who were, however beaton by one we: George Parr was Managitimate saco wor to Paller Pilob, and this Old Lion of the North " nuch persuasion, for Touce asked him what inrum un He was passionately fond of bowling and money. George Parr told me that he never knew when to take himself off and he detested parling with money when once it got into his Bingers Still Clarke was a wonderful slow bowler, although Richard, Daft thinks that R. -C. Tinley was better. Clarks knew the philosophy ambodied in Norman Gale's lines -

"Tosa him down a glow, you eee, And ten to one the lick is done By just a bit of bring; you see !

In 1849 the last time that Lilly white and Pilch placed the Gentlemen actually forced the Players to follow on, and beat them by an innings and 40 rans. In 1853, the Professionals were routed by 60 runs and the game is memorable from the fast that the amateurs never changes their bowlers. What wis the force which enab led the Gentlemen to approach the standard of their whilem conquerors? The force took the shape of a giant of a man known to post-rity as Alfred Mynn, who helped the Gentlemen for 20 years, his last appearance in these materies being in 1852 Alfred Mynn was the Grace of his period, and, what is more, the amateurs were no match for their foemen again not it the Since the first pricket match was played ander inviscible. W. G. -the Levisthan, the Napothe title of Contlemen versus Payors there have Ison of cricket; came to the rescue. May I be been startling changes in the conditions of the pardoned if I say that Alfred Myon, of illustrious Anarchists, and Signor Crispi says they will be game and in the relations between the various abcestry, stood 6ft. #### The champion's on the Bust agein, Tis fine to see him Dust again Don't talk to me of rush again;

You grand old King of Cricket ! !! have, for your special edification, taken the trauble to go through every innings Mr. Grace has played for the Gentlemen at Lord's and the Oval since 1865. In all, he has completed 92 innings, and scored 3,805 runs, giving him the nuble avarage of 41.35. To dissect this grand aggregate still further I may add that at Lord's Brown & Co., H. G.: Mr. Grace has been to the wickets 52 times, he Campbell Muores Co. bus been thrice not out, his total rais are China Bornes ....... 1.910, his bighest innings 169, and his average China Sugar ....... for this ground 38 97. Moreover has has Chinese lioun 86 E. never been dismissed in any innings at Dakin Criticks k & Co Lord's without scoring. At the Oval, I Dairy Farm Co. ....... find that he has been in 46 times, has been thrice. For wick & Co., God. uct out, has scored 1.895 runs, has a highest in-H. Brick & Cumunt nings of 215, and Jose the superb average of 44,065 On the Surrey enclosure be was sent to the right about once in 1876 without troubling the scores; while in 1882 and 1888 he had to retire in two different casays with only a single to his oredit But just famoy any man going to the batting III & K Wharf & C. crease on 98 occasions, and never obtaining the longtong Hope. doubtful honour of a " pair of spectacles. If of a W Docks any of my readers know of any records to heat lotelsthis, I should be obliged if they would trot thom, se Hongkong Hot

FONDERFUL SHIEWSBURY. Just as Mr. Grace's 215 is the highest individual effort for the Gontleman, so Shrewsbury takes pride of place for the Players by reason of his 151 not out, made at Kennington wal in 1891. The next largest contribution by any other player is George Ulvett's 134. Whether Shrewsbury will ever don flannels again for the Players I cannot say. Let us look at Shrewsbury's nohievements for the professors. You will be hand & Building surprised how nearly the figures of the two a alika. At Lords Shrewsbury has played 28 in hings for the Players, thrice not nutricial 694. highest maings 111, average 84.7, or about four runs less per innings than Mr. Grace. At the oval Shrawabary's record read. 20 lunings 4 times not out, 783 rang, 151 not out birdest innings, and average 43.93, or 4 runs more for each completed drampt then the champion. Altogether Surewsbury has played 48 inning 6 7 times not out, 1.477 total runs, 151 not out highest innings, and 41.02 general average. This is .83 less than bir. Grace, or roughly speaking, rather more then a quirier of a ruu less than the Gloucestershire captain. admit that "W G's "efforts are spend over a period of eleven years longer, and that "the Levelban & bog m to assist the

Gentlemen when the Notis men had just turned Watson & Co. A. S. his ninta birthday. On the other hand, however, we must not forget the difference in physique of the two men. Grace has been andowed with a giant's frame and strength, the best of health. This year's New Malwa 3660 No Allowance and incomparable opportunities for practice. last ten years. Many times in the course of | conversation has Shrewsbury impressed upon me that be does not claim to be a hitter or a great run steer. All the same, Shrewsbury gen milly gets there." Of course one must admit that all-round Grace has been the more useful to his side, for consider the enormous work he has got through as a bowler. I really have been mable to look at this and give at its due weight. Still, taking all ofrommstances into consideration, one must give ansi inted praise to 1.28 Sarewsbury for his marvellone batting. Inthree years the greatest of the great Grace soured over 100 in each match—namely in 1470:72 75. while Shrewsbury has got but three conturies altorether. Still, in 1892, I beg to remind you that Shrewsbury put tegether 98 at Lords and 151 not out and 11 not out at the Oval, or 260 inthe two matches for the once out. In 1891 Burewshu y carried his but through the innings Tuof the players for 81 not out, when no one else. could operate on a bad wicket, and a zt year the Nottingham professional surpassed this feat by

NOW READY PERONICLE AND TRECTORY 1894.

With which is incorporated THE CHINA DIRECTORY. This is the TRIBTY-SECOND ANNUAL ISSUE. and will on found, as canal, to show an advance on preceding years both in fulness and accuracy The DIRECTORY covers the whole of the

ports and cities of the Far Bast, from Penang to Vladivostock, in which Europeans reside. Not only is the Directory as full and complete in each case as it can be made, but each Colony. Port, or Settlement in prefaced by a DESCRIP TION, carefully revised each year, some of which will serve as accurate Gurnes for the Tourist. Riving every detail in connection with the places, their History, Topography, &c., &c.
The Information afforded in these Descriptions

alone would suffice to fill an ordinary volume. consisting of over Eighty highly interesting articles, packed with facts concisely set out, and containing statistics of the TRADE of each Country and Port The work contains Directories and Descrip-

IMPERIAL QUARTO. MACRIE LA NO STREAM wern in Prince and Manuagen Pronunciation. An Angle-Clinete Dictionary, published at the Daily Press Office, Hongkons For Comprehensiveness and practical service his Work stands muritalled All the words which the Chinese have of Judey ears heen compalled to coin to express the numerous icots in machinery, photography, telegraph and in science generally, which the rapid advance of foreign relations has imposed upon tuempar lare giron in setence. Ench and avery word? fully illustrated and explained forming arer for students of a most instructive mature. But the Court and Paul prenumentions are given the accents being carefully marked on the principle hitherto attained. The typog lantave the aucoess of an attempt to make Chinese and English type corresponding the air of body thereby effecting a vast economy of lines of steamers, and to the principal cities of space, nonlaying a clearment not previously ittained and dispensing with those was marries and recent spaces which have hare tofore charactoring Chings outlications To illustrate the vait scope of the work the UNION PACIFIC: DENVER AND RIO GUANDE Chinese characters and Modhurste English Passengers holding orders for OVER other elementary works as not published, the have one general magning. Of these examples this work contains more than five properties

many as any other Dictionary hitherta pub-For prodict purposes the arrangement to pages unables a person who understands English to communicate effectively with natives who anderstand nothing but Chinese. In this respect the work will be found andispensible total Enropeans feciding in China and to the natives. Historial vess it explains subjects fully with which very few indeed of them are perfectly asquainful. To parties resident in England and interested Ching it caused but be invaluable occasion-It comprises upwarde of two thousand large
